# Badge Fittings

Our name badges come with a choice of three fittings for greater flexibility, allowing you to choose the most suitable attachment method for your particular application.

## Magnet Fitting

Designed to eliminate any damage to your shirt or clothing and to attach to almost anywhere, the magnetic fitting is the quick and easy fitting for your badge. Warning, magnetic fittings should not be used if the wearer has any sensitive medical devices.

## Pin Fitting

Durable metal pin contained within a plastic jacket set into the badge via sonic welding. Complimentary with all badge purchases the pin fitting is the simple choice.

(Not available on Executive)

## Combi-Clip Fitting

The true swiss army knife of the fitting world, the combi clip has both a standard safety pin fitting merged with a durable and secure alligator grip.

(Not available on 2 1/2" x 9/16" and 2 15/16" x 3/4" Prestige or Executive)
